Curriculum Evening Information

Dear parent / carer,

This year we are introducing a class Curriculum Evening for each class, these will be taking place next week (as I previously shared with you). Unfortunately, due to the current situation, we are unable to hold a face to face meeting however we would still like to go ahead with the meeting as a virtual event (lasting approximately 30 mins). You will be sent a zoom link for your class webinar prior to the meeting. (It is hoped that next year this meeting can be in person).

(A webinar is slightly different to a normal zoom meeting – you will be able to see the class teacher but no one else will be able to see you. If you have any questions during the meeting you can type them into the group chat)

It is very important that you make every attempt to attend the meeting as it will be an opportunity for your child's class teacher to share all of the key information for the forthcoming year and how we will be working together to support the children in their recovery curriculum following the challenging years that they have faced. I appreciate that we are all very busy people however I know that you will also appreciate that your child's welfare and progress is key.

We have scheduled each class meeting for a different time so that if you have children in more than one class you can attend multiple meetings.

Reception: Meeting to be held at a later date once the children have all settled into school (further information to follow)

Year 1: Wednesday 15th September 3.30pm

Year 2: Thursday 16th September 3.30pm

Kind regards
Mrs Young
