

This is what our House Captains think about House Teams:

“House Teams help us to bond and feel like a family – makes us closer.”

“We get to know everyone in school and can encourage each other.”

“There is always someone to talk to – you can speak to your House Captain if you are worried about something.”

This is what our House Captains think about House Teams:

“House Team Days are great because we get to bond together and feel like a happy family.”

“House Teams build friendships between older and younger children.”

“Being a House Captain is a responsibility because other children look up to you.”
